Jewelry, Gift Baskets &  
Travel Bags - Perfect For Treatment Days

Thoughtfulness  
& comfort  
*wherever you are*  
on your journey

## Comfort Bags

We offer unique bags filled with care and a personal touch. Comfort bags are perfect for someone diagnosed with cancer to carry with them for medical appointments or treatment.

## Jewelry

Unique and personal designs are available for jewelry. Also available, are medic alert bracelets personalized and engraved with your information. These alert bracelets are flattering and will accent your daily style while keeping important information with you at all times.

## Gift Baskets

Our gift baskets offer a unique variety. Selections include: Spiritual, Relaxation and Comfort themes. There is something for everybody.

**W**e strive to utilize products that are healthier and more natural. Our goal is to provide you with gentler products to care for you or someone you love in a newer, more comforting way. Welcome to the first step of "A New U".
